

Gary Singh

Biography

I am a family man married to my beautiful wife Navpreet, and father of my two young boys, Samsheer and Samrath. As a long time resident of Manteca, small business owner, and a Broker/Realtor, I bring a unique fresh common sense prospective to city government. I am excited by the opportunity to work with city and county leaders to address quality of life issues, growth, and the challenge of attracting and retaining family wage jobs and industries. I also want to work with my fellow Council members to streamline our government bureaucracy by making government more user-friendly and technologically advanced. This will provide transparency and accountability ensuring all people feel their voices are heard.
