AMENDMENT 1 – QUESTIONS AND ANSWERS

SUB SECT. 6.0a - QUESTIONS AND ANSWERS

The following questions were received for the above project.

SJAFCA responses are provided immediately after the questions (blue font).

1. Due to the ongoing Covid-19 pandemic, and the recent stay at home orders issued by Governor Newsom, we would like to request an electronic-only submittal of our proposal.
 - a. An electronic-only submittal of the statement of qualifications is acceptable; however, rate sheets must not be sent electronically and should only be sent via US mail or Express mail to the address provided in the RFQ by the due date of January 15, 2021.
2. Considering the eight-page limit for proposals, does the requested cover page count towards the page limit?
 - a. A firm's decorative-type cover (optional) does not count toward your page limit. However, a cover letter or transmittal page containing the SOQ authorizing agent signature and contact information does count toward the page limit.
